FEW PROTESTS AT HEARING ON SMITH TRAILER COURT PLAN

Before a slim turnout of about 20 citizens, pro and con arguments for the proposed \$175,000 Smith Enterprises trailer court were heard Tuesday night at an informal public hearing held at city hall.

Due to a mix-up in scheduling, the hearing was forced to be held in the city administrator's office rather than the much more spacious council chambers, since the League for Better Schools had already taken over the chambers.

Although objections to the trailer court, which would be located on Brunswick and Hillside boulevards, were few, the proceedings were marked by a minor battle on parliamentary procedure.

William Cheatham, 61 Muirwood drive, opponent of the trailer court, said he would refuse to make any remarks if they were to be transcribed by a court reporter brought along by H. H. Smith Sr.

Objects To Record

"I'll put my remarks before the planning commission but I object to having them on the record," Cheatham said.

Consensus of Cheatham's argument was that since the reporter wasn't officially employed by the planning commission, his transcription of the meeting wouldn't be a valid record of the meeting.

Attorney Richard Lyons, representing Smith, retorted that, "Anybody at this meeting can take notes if they care to," to which Cheatham answered that, "He should be paid by the commission."

Commissioner Julian Cohn entered the fray, explaining that, "We haven't requested the reporter's presence. I believe anyone can take notes if they so desire."

Asks Adjournment

"Why doesn't the commission adjourn this session and set a formal hearing and then have a court reporter take down the proceedings." (Continued on Page 2)

The Town Record

By MONTE DAYTON

A gigantic "Pyramid Club" has several esteemed Daly City citizens many dollars richer.

One office holder reports a near-\$300 enrichment.

A pair of prominent Westlakers have signed complaint for arrest of an Army youth on statutory rape charges.

Victim, say they, was their daughter.

Warrant has been signed but not served.

JAMES MASON, rec director, has been fishing for years and faithfully wears his license in a conspicuous place, but has never seen a game warden.

Recently, weekending at Navarro at the Beach on a steelhead angling trip, Jim forgot his license. Lo, there were four game wardens perched on the bank.

Recently - appointed Packard dealer PETER VENTURINO, seen the day his appointment was announced motoring along contentedly in a Nash.

DC-Colma Lions haven't had enough.

Fresh back from a chartered trip to Reno, Prexy JOE BELL reveals that another such gaming jaunt has been scheduled for the second week in December by Pan-Am DC-4.

Friday's power failure in eastern Daly City was ill-timed, as many TV boxing fans had to sweat out that last round of a bruising JONES - CONSTANCE battle in the dark.

Suggestion is forthcoming for a type-recorder at all city council meetings so bygone statements and promises can be revived when certain matters come to a showdown.

(Continued on Page 2)

COUNCILMEN SEEM VICTIMS IN PLAY OF CIRCUMSTANCES

The scheduled joint meeting Wednesday night between the city council and the Jefferson Elementary School district board of trustees on the topic of mutual use of recreation facilities was called off.

Councilman contacted school district officials Tuesday and explained that "due to the press of other business" they would be unable to make the meeting, which had been scheduled several weeks ago.

Coincidentally, the Jimmy Carter-Paddy De Marco fight for the lightweight championship of the world was held Wednesday night.

December 15 Set As "Safe Driving Day" In Daly City

Daly City police chief Roland Petrocelli and traffic inspector Henry Sundermann have declared December 15 as "S-D Day"—Safe Driving Day—in conjunction with a national program sponsored by President Eisenhower's committee for traffic safety.

The day will be set aside to demonstrate that traffic accidents can be reduced materially when all motorists and pedestrians do their part, Sundermann said.

"The test confronting every community will be to remain completely free of traffic accidents" (Continued on Page 2)

City Pays Lombardi \$118 For Cable Broken In Service

The council Monday night agreed to make good on a \$118 bill from Lombardi Auto Service for a tow truck cable that snapped June 22 in an attempt to pull a fire engine out of a ditch.

The bill has been pending but City Administrator Dan Andersen maintained that the city should not pay full cost of a new cable since the one that broke was used.

Frank Lombardi, owner of the auto service, claimed the cable was new and demanded full payment.

Mayor Joseph Verducci pointed out that since a certified city employee had promised Lombardi the city would make good on any expenses incurred in hauling out the engine, the bill should be paid.

The incident occurred behind the Daly City pound on a grass fire call.

The engine, in an attempt by firemen to get closer to the blaze, was driven down a dirt road which gave way, bogging the engine down in the dirt.

LEAGUE FOR BETTER SCHOOLS SELECTS EILER AS PRESIDENT

Dr. John Eiler, 32 Lake Forest drive, a professor at University of California, was named president of the League for Better Schools, Tuesday night.

Dr. Eiler, however, was not among the 40 persons present at the council chambers meeting.

Yesterday (Thursday) when Dr. Eiler was contacted by THE RECORD he said his election was a "surprise" to him, but said he would accept the position.

Dr. Eiler is a professor of biochemistry at UC and in addition is assistant dean of the college of pharmacy. He was active in the League last year in its initial formation, serving on the by-laws committee. He is married and has one child, a son, 7.

Jenkins Leaves Post

The professor will take over the presidency held for the past year by Thomas Jenkins, attorney.

Other officers named Tuesday included: Mrs. Jack White, vice president; Dorothy Levkowitz, secretary; and Marie Sorenson, treasurer.

The League, a group that evaluated qualifications of board of trustee candidates, will hold its next meeting in February, prior to the elementary district trustee election in May, at which time two board positions will be open.

A hot debate at Tuesday's meeting followed a talk given by Mario Ciampi, architect.

Cost of Center

A member of the audience inquired as to the expense of the War Memorial community center and asked why the city council had never accounted for its expenditure of the \$390,000 bond voted for its construction.

This angered Fred Bertetta, a member of the council at the time the project was started, who countered with the statement that \$100,000 of the bond money went for city parks.

During the course of Ciampi's talk a question and answer period on schoolhouse building was held. Of foremost interest was the discussion of the relative merits of a one-story building vs. a two-story building.

Ciampi maintained that despite the difference in land costs, a one-story structure was less expensive since it did not require the amount of heavy reinforcement needed in (Continued on Page 2)

New Flood Complaints Force Prompt Action

Drainage, or the lack of it, brought a half-dozen angered citizens before the city council Monday night to demand that immediate action be taken.

Heavy rains early this week resulted in flooding in the Hillside boulevard and First and Valley street areas.

"We have floods every winter. When's it going to stop?" questioned one irate citizen from the damaged areas.

Engineer Edwin Smith said, "It won't stop until we establish the assessment district and install the \$65,000 drainage system."

Start This Spring

"We're hoping to run the assessment district proceedings through this spring," Smith added.

"What do we do until then?" fired back Mo Masini. "We've been flooded twice this year already."

Smith indicated that there were no temporary measures, and that the project would have to be done all at one time.

"We don't want promises. We want commitments," another citizen demanded.

"What if the drainage district doesn't pass?" the homeowner continued.

City Administrator Dan Andersen answered, "It's up to you people living in the area to approve it."

"Blasting Us?"

Councilman Michael De Bernardi asked the citizens, "Why are you blasting us when this problem was created long before we came on the council?"

Mo Masini said, "We've had the same trouble every year. The council promises action and we never get it."

Finally it was agreed that a 400 foot line of 18 inch pipe could be installed on Mission street to help alleviate the problem. The project would be financed at the city's cost, Andersen said.

Estimated cost of the project is about \$3000. The emergency measure will not be duplication of effort, since it will become a portion of the whole \$65,000 storm drain installation program, Smith said.

The emergency installation is expected to handle the flow of water coming down Mission street, which is said to be source of the flooding problem in the Valley street area.

Set Up Monday

Smith said it might be possible to have the specifications laid out for the project in time for Monday's council meeting.

In this week's rains flooding problems were also encountered in the Hillside boulevard area, where inadequate catch basins allowed water to run several feet over sidewalks.

Man Struck By Car

Suffers Broken Leg; Possible Head Injury

William Parsons, 33-year-old laborer of 215 Crocker avenue, suffered a broken leg and severe head injuries when struck by a car at the corner of Mission and Eureka streets Tuesday night.

He was hit by an auto driven by Jacinto Martinez, 26, of 504 Gates street, San Francisco.

According to police, Parsons was crossing the street against a red light.

He was rushed to Mission Emergency hospital for treatment of injuries. Today Parsons was still confined at the hospital for observation of possible serious head injuries.

CALLAN LAND ACCEPTED WITH STERN WARNING

Annexation of Callan Heights No. 3 into the city of Daly City was officially accepted Monday night with the stern warning by the council that if Builder Thomas J. Callan Jr. ever started construction again before formal city approval his work might be held up as long as six months.

Callan had already laid foundations for 34 dwellings, although the formal annexation and approval of the lots was still pending before the city.

The builder had appeared before the council last week with the request that the lots be formally approved, but the matter was not on the agenda and councilmen held it over a week.

At the council's request letters from the building inspector and city engineer were read on the legality of Callan proceeding with construction before formal acceptance of the property by the city.

No Permits Issued

Building inspector George Hopman's letter said, "No permits for building have been issued on the 34 dwellings."

Engineer Edwin Smith's letter indicated that he had made an inspection of all sanitary sewers, street work and gutters and found them to meet city approval.

Mayor Joseph Verducci then asked Smith what authority he had to make inspection of projects that actually weren't under city jurisdiction at the time.

Smith answered that, "We (engineers) have no contact with the building department. We're concerned only in the public rights of way. We make the inspection only as an accommodation."

No Authority

However, the engineer added that, "In my capacity as city engineer I have no official authority to make the inspection."

"You're representing us," Verducci continued. "I don't understand how you can go ahead with the inspection when there's been no building permit issued."

"It's the usual practice," Smith said.

Councilman Michael De Bernardi, questioning Callan as to why (Continued on Page 2)

Dividers Are Urged At Alemany & Sheffield Crossing

Installation of a dividing strip on Alemany boulevard at the dangerous Sheffield drive intersection was urged by the council Monday night.

Mayor Joseph Verducci explained that autos have been coming up Sheffield to avoid the stop lights west of there and pointed out that a highway divider would discourage this.

City Administrator Dan Andersen said he would have to take the proposal before the state division of highways since they have jurisdiction over the Alemany.

In a letter from the police commission, safety measures were also asked at the Lynwood-South Mayfair intersection.

The commission pointed out that many children have narrowly escaped being hit by cars crossing the blind street. The commission suggested that angle parking be eliminated and angle lines be painted on the pedestrian crosswalk.

The council concurred with the commission's recommendations.

HILLSIDE boulevard residents were among those hard hit by heavy rains early this week. Mrs. Helen Le Compte, 967 Hillside boulevard, points out damage done to neighbors' home at 985 Hillside, where water flowed over sidewalks at depths of four inches, eroding land to depth of one and a half feet and undermining driveway. Rain was a hot topic at Monday's council meet as many irate residents demanded action in installing up-to-date drainage facilities. THE RECORD photo

THREE METHODS NET CROOKS \$1000 AT LOCAL GROCERY STORES

Three different criminal methods of operation were used during the past week to victimize a trio of grocery stores of nearly \$1000 in cash and merchandise.

Biggest haul was taken Thursday night at Budget Savings Store, 6001 Mission street, as a gunman forced the owner and a clerk to turn over \$487.15 in a paper bag.

Police reported the robber, described as blond-haired, six feet tall and weighing about 160 pounds, loitered at the candy counter until all the customers had left about 6:30 p.m.

He then bared a .45 calibre automatic and said, "Give me the bills." Mrs. Chana Szames, owner, asked, "What bills?" and called to the clerk, Gene Sieder.

"Won't Hurt You" "This won't hurt you, you're insured," the bandit answered. "Put the bills in the paper bag and forget the silver."

When Sieder turned the cash over, the gunman demanded Mrs. Szames' purse.

"There's nothing in it," she said. The bandit escaped on foot.

Second victim during the week was the Lucca Market, 7370 Mission street, where bandits forced entry into the building by prying loose a wire screen from the rear door and unlocking it.

Time of entry was placed between Saturday night at 8 p.m. and Sunday at 7 a.m.

Burglars entered the office ransacking the desk drawers and then made an unsuccessful attempt to knock off the safe dial.

20 5ths Whiskey

They then went to the main part of the market, where they lifted \$130.04 from the cash register and also made off with a case of cigarettes and 20 fifths of expensive whiskey. Total value of the merchandise was placed at \$185.

The culprits overlooked an undisclosed amount of money in a second cash register, according to co-owner Mario Stanghellini.

Sunday afternoon "tilt-tappers" stole an amount ranging from \$135 to \$140 at Roy's Grocery, 188 Los (Continued on Page 2)

Woman Motorist Hits Mission Building

A woman motorist who lost control of her car Wednesday morning smashed into a building at 6398 Mission street, doing considerable damage, police report.

According to officers report, Yee Perrieria, 34, 375 Ryan street, was travelling south on Mission when she attempted to turn right onto Knowles avenue.

She lost control of the car and it jumped the sidewalk, crashing into the building.

Police said she was cited for not having an operators license and for violating pedestrian right of way.

Painter Hurt In 16 Foot Fall Off Roof

Nilo Simonini, 28, of 467 Bellevue avenue, suffered serious cuts on his head Wednesday afternoon when he fell 16 feet from the roof of a tavern which he was painting at 1038 Hillside boulevard.

He was rushed to Junipero Serra hospital by Broadmoor police ambulance, where he was treated for the cuts and shock and possible internal injuries.

COMBINE TWO DC FIRE COMPANIES

At a meeting this week it was agreed to combine volunteer fire companies 1 and 2 into one company, to be known as Co. 1.

The move was made necessary because the Co. 1 truck was moved to the Santa Barbara avenue station, leaving Co. 1 without a truck.

The combined Co. No. 1 named William Brush as captain, Ed Ma-

Few Protests On Auto Court

(Continued from Page 1)

Then I will talk," Cheatham suggested.

After further harangue, in which at one time Smith commented, "I'm puzzled that a citizen wouldn't want his remarks put down," Lyons asked that the court reporter discontinue his recording of the hearing while Cheatham spoke.

Finally, Cheatham made his remarks, stating that, "I don't believe a trailer court will do anything for Daly City. It will depreciate the property. It's simply a matter of economy with me. I want to keep my property value up."

Cheatham queried Smith as to where he got the figure that each occupant of the 76-unit court would spend \$200 a month in the adjacent shopping area.

He also said the trailer court would throw an additional burden on the schools, for which the occupants would supply relatively little of the tax support.

No Children
Smith's answer was that no children would be allowed at the trailer court.

He also said the project would be "de-luxe" and would be a credit to the community.

"If I thought this would be detrimental to the city of Daly City I wouldn't do it," said Smith, a former Daly City mayor.

Andrew Vireno was among those speaking in opposition to the court. "I have known Mr. Smith a good many years and we have been good friends, but I don't think the heart of the town is the place for a trailer court."

Hal Willis, local merchant, presented to the planning commission a petition with names of 31 "top of the hill" business people favoring the trailer court proposal.

A Welcome Thing
There is nothing more unsightly than the present quarry. This proposal comes as a welcome thing to us," said Willis.

Ray Charette, another local business man, arose after Willis and said, "I'm sure Smith could develop this property to more advantage to the city. This area has a great potential for years to come." Charette said he did not sign the merchants' petition.

Lyons summed up the argument for Smith's project by stating that it would be a high class trailer court, with above-average monthly rates and concluded that, "Not one single valid objection to the trailer court has been raised tonight."

Formal hearing on the project has been set for December 14.

Crooks Take \$1000 At Stores

(Continued from Page 1)

Olivos, owned by Roy Combs. Combs reported that at about 3:30 p.m. Sunday a Negro man and woman entered the store, asked for some sliced cheese and cottage cheese. Combs went to another part of the store to slice the cheese and from there observed a third Negro approaching the store.

He said his back was turned to the couple for a short time and when he returned to the register the money was gone.

Combs said he never saw the third person enter the store but a witness said the three suspects were seen together later in a green sedan.

Stern Warning On Callan Land

(Continued from Page 1)

the construction had been started and on what authority, was answered by Callan that, "It was an oversight on our part."

Councilman Ed Dennis asked, "How can we prevent such incidents in the future?"

Could Delay

Attorney Frank Blum informed the council that a policy could be established whereby unauthorized construction could be ordered torn down by the council or the council could delay the project for several months by refusing to approve it.

After the mayor had advised Callan to extend more cooperation to the council in the future, a vote was taken on acceptance of Callan Heights No. 3, passing unanimously.

Blum was ordered by the council to draw up a resolution which would provide a penalty for builders proceeding without city authorization.

Later Ricco Lagomarsino, builder and consistent foe of Callan's, arose to charge that, "If the city building laws had been abided by we wouldn't be in this spot. What's happened, I don't know, but someone jumped the gun and I don't think it's the builder alone. You people should check and find out where the leaks are."

launching the hot lunch program for the Colma school.

Compile Policies

6. Heard report from Trustee Mrs. Katherine Mullen, who told of the compiling of board policies which she had undertaken. Eventually the policies passed upon by the board and now incorporated in the minutes of the meetings will be edited and brought together in a single volume for ready reference.

7. Gave permission for distribution of literature to the pupils to help promote collection of funds for muscular dystrophy. Fire Chief Elmer Kennedy appeared before the board to make the request for the District 1 civilian defense survey, it was announced today.

8. Heard report from Trustee Henry Kraus on the meeting of the League for Better Schools held the previous night.

9. Granted permission for Mrs. Cordell, art coordinator, Mrs. Bostwick, curriculum coordinator, and Mrs. Zenovich, principal, to attend educational conferences.

10. Read letter of resignation of Miss Anna Biggs, Woodrow Wilson kindergarten teacher, who is engaged to be married. Miss Janet Strothman was hired to replace her.

Gardening Needs
11. Discussed gardening needs of the district at length and tabled the matter for further study.

12. Decided to meet for breakfast on Saturday, Dec. 4, as a preliminary to a tour of the school district properties, and discussed a plan to visit schools while classes are in session.

13. Set December 15 as date for next regular meeting. December 22 is regular date but was moved up to avoid conflict with the Christmas recess.

All five board members were present at Wednesday's meeting.

"Safe Driving Day" For Daly City

(Continued from Page 1)

for the 24-hour period," the inspector explained.

An ordinary day, neither on a weekend nor a holiday, was chosen to emphasize the fact that traffic safety is an every day thing, local police said.

Opportunity - Challenge

"S-D Day is an opportunity and a challenge for all types of organizations, national, state and local, to join in a common effort against a common enemy, the traffic accident toll," Sundermann emphasized.

"Motorists and pedestrians can eliminate traffic accidents by their own actions. S-D Day should bear out this fact. By asking everyone in this city to join in a 24-hour demonstration, dramatic and convincing results can be achieved," the inspector related.

Motorists and pedestrians will be urged on S-D Day to accept full personal responsibility for complete adherence to these basic safety principles:

Letter and Spirit
1. Observe the letter and the spirit of all traffic regulations.

2. Be courteous to every driver and pedestrian — practice sportsmanship.

3. Give full attention to driving and walking.

In short: Drive and walk as they would have everyone else drive and walk.

DALY CITY MAN TESTIFIES IN SENATE JOB QUIZ

A Daly City man, Richard Reed, 5 Muirwood drive, was a witness this week before the state senate labor committee investigating complaints of workers against unions.

Reed was among several witnesses who testified they had to pay dues and assessments to a union, local 162, of the AFL International Alliance of Theatre and State Employees, although they could not get work as motion picture projectionists.

Reed, who had been working in San Francisco theatres since 1937, sometimes as a relief operator, said he had been denied admission to the local despite a formal application which had been entered since 1942.

He claimed he was asked to contribute to the United Crusade, Heart Fund, March of Dimes, for political education and even one \$2.50 assessment to buy a wedding present for a business agent.

Committee chairman F. Presley Abshire of Geyersville then asked Reed, "Do I understand you to say that you are paying dues and assessments to 162, although you belonged to B-18 and you are not a member of 162?"

Reed replied, "You're right, Senator. If you want to work there you pay what they ask you."

"If you don't pay the assessments you're taken off the job," Reed continued.

Testimony was made during the investigation that the local 162 was a "closed corporation" in that it was reluctant to take in new members, and that some applicants got into local B-18 for doormen, ushers and cashiers—but still had to pay dues to both locals.

LOCAL DIRECTORS FOR MATEO COUNTY CD SURVEY NAMED

William McLarty, E. C. Setzer and Fred Fogle have been assigned to the District 1 civilian defense survey, it was announced today.

District 1 includes Daly City, Colma, South San Francisco and San Bruno.

The intensive survey to determine San Mateo county's willingness and capacity to take care of San Franciscans if northern California's great metropolis is ever hit by atomic attack will start November 29.

Volunteers are being recruited here and in San Mateo county's 12 other municipalities to conduct the survey, the scope of which has been outlined by the state office of civil defense.

During the survey three major points will be involved: Capacity of a community to house refugees; community's capacity to feed such persons; and community's medical resources and their capacity to receive and treat victims of an enemy attack.

Cypress Druids Postpone Whist
Cypress Circle Druids No. 14, UAOD, announce that the regular whist November 24 has been postponed.

Whist will be resumed December 22 at 8 p.m., according to Edele Vernazza, arch druidess.

JUNIOR CHAMBER APPROVES BYLAWS

Primary purpose of Daly City-Colma Junior Chamber of Commerce was outlined Tuesday as the group approved bylaws.

Bylaws read that, "Primary purpose of this corporation shall be to provide service through the organizing efforts of young men of the community to promote welfare of the community and its citizens through active, constructive projects; it shall be the further purpose of this organization to provide the young men constituting its membership training in leadership and civic consciousness to better their usefulness as citizens."

Under the by-laws, any young man of good character between 21 and 35 years of age is eligible for active membership in the corporation. Interested parties may contact Jack De Bella, PL. 6-0340.

Marguerite Hook, Wife Of Merced Mgr., Succumbs

Marguerite Hook, 64, wife of Charles Hook, manager of Lake Merced Golf & Country club for 17 years, died Wednesday morning in Santa Monica.

Her unexpected death followed by only one week a lavish testimonial dinner given in honor of her husband on his retirement from the country club.

The couple, following the dinner, had left for Santa Monica to live with Hook's mother.

Tuesday night before retiring Mrs. Hook complained of feeling ill. Early Wednesday morning Hook rushed his wife to a hospital and she succumbed shortly after 4 a.m.

She was a native of Minnesota. Services will be held tomorrow (Saturday) at the Little Church of the Flowers in Glendale, followed by interment at Forest Lawn in Los Angeles.

On his retirement a week ago Wednesday, Hook was paid high tribute from some 200 members of the Lake Merced club.

In addition to numerous gifts, he and his wife had been given a \$10,000 retirement plan to take care of their needs for the next five years.

During Hook's 17 years at the club he had gained renown throughout California golfing circles as one of the more popular and efficient club managers.

FINES LEVIED IN TUESDAY'S COURT ACTION

Robert Guinn, San Francisco, and Raymond Owen, 444 Vista Grande avenue, Daly City, each forfeited \$25 bail in Judge Thomas L. Bocci's municipal court Tuesday after failure to appear on charges of disturbing the peace.

The pair were alleged to have created a disturbance in front of 7392 Mission street on October 30.

In other action Tuesday Daniel Prater of San Francisco, charged with being drunk in front of 900 Brunswick street on November 4, failed to appear and forfeited \$25 bail.

Robert E. Lee, also of San Francisco, pled guilty to being drunk in a public place November 7 and was sentenced to five days in jail or fine of \$25.

Ernest Baker, South San Francisco, pled guilty to being drunk in an auto at Citrus and Niantic streets November 7 and was also given alternative to five days in jail or \$25.

Sheridan PTA To Hold Sewing Meet

The Sheridan PTA will hold its monthly sewing meeting at the Ocean View Playground Recreation Center, on Wednesday, November 24, at 12:30 p.m. Work on the button and zipper boards for the Sunshine school will be continued. Luncheon will be served, for the price of 50 cents per plate, to be donated to the convention fund.

EAGLES AUXILIARY CONVEY THANKS

To the Editor:

The members of Colma-Vista Grande Auxiliary No. 1848, Fraternal Order of Eagles, wish to convey their thanks for the wonderful publicity you have extended to us, in regards to our recent bazaar. We are certain it would have not been as large a success, without your kind cooperation. Thank you very much.

Sincerely,
Dorothy Carrington,
Secretary

Sheridan PTA To Hold Meeting Dec. 1

There will be a meeting of the Sheridan PTA executive board on Wednesday, December 1, at 9:30 a.m. in the school.

Plans for a Christmas party for the school's children, as well as a Christmas party for the unit's mothers will be discussed.

There will not be a general membership meeting in December, due to the Christmas holidays.

THE MUSCULAR DYSTROPHY MENACE

Some time during Thanksgiving Week, just about every family in Daly City will be called upon by one of its fighters, marching about town on his own scant time-off, for contributions toward abolishing the menace called muscular dystrophy.

Our citizens are entitled to ask, "Why?" And they are justified also in asking, "How have past contributions been expended, and how will future sums be used?"

As to the first question, muscular dystrophy is today one of America's most unaccountable diseases. It strikes without warning, condemning the afflicted to eventual death. There are more than 200,000 known cases in the United States, and among other tragic aspects of the situation is that an appalling number—130,000—are small children.

A fire fighter will be ringing your doorbell to ask your donation toward research into this grim malady. For it is plain that the cause and the cure can be found only in developing laboratory and clinical research by the top scientists in this field.

Muscular dystrophy is a very costly disease. Aside from the greatly broadened research that your dollars will permit, funds are urgently needed for patient-care, for clinical facilities, for drugs and therapeutic procedures, and for a great variety of wheel chairs, braces, "lifts" and other orthopedic appliances.

As to how funds in the past have been expended by Muscular Dystrophy Association of America, Inc., contributions to that non-profit organization have regularly undergone the most scrupulous accounting. Five years ago, the number of persons who had ever heard of muscular dystrophy might almost literally be counted upon the fingers of both hands. Since then, an extensive campaign of public education has made the disease well known to millions of Americans—and to tens of thousands of victims who previously were unaware of the vicious nature of the disease that had stricken them.

Public education has resulted in a generous public response expressed through contributions. This has made possible the outlay of \$1,142,783 on 65 muscular-dystrophy research projects in 34 leading institutions. That means that the pursuit of this killer is under way in earnest.

When the fire fighter rings your doorbell Thanksgiving week, he will answer any other questions. And before he leaves, be sure to contribute as generously as you can in the envelope you will have received earlier by mail.

Safety News

Ever see a nightmare walking? A lot of motorists will tell you they have. And the chances are they're right. For the carelessness of many walkers are a nightmare to drivers.

According to Inspector H. Sundermann, the most dangerous of walkers (and the most annoying from the motorist's point of view) are:

Crossing between intersections. Dashing out from behind parked cars or other stationary objects. Not looking both ways before stepping off the curb.

He stated that in 1953 more than one out of three pedestrians killed in urban traffic accidents was crossing between intersections at the time of the accident. These figures are from the records of the National Safety Council, which is cooperating with Daly City.

"It's a driver's duty to use the greatest caution in traffic and to protect pedestrians at all times, but we can't expect him to do the impossible. And very often it is impossible for a driver to stop a car in time to avoid a pedestrian who literally springs out at him from the curb."

Inspector Sundermann urges all walkers to accept the responsibility for their own safety. "After all, he said, 'You'll be in no position to pass the buck to the driver if you get killed in traffic.'"

Solar evaporation is the only method used for producing salt from sea water on a commercial scale.

nent information dealing with population, location and principal industries.

The Rotary Foundation Fellowship Program is a very worthwhile cause as it has awarded fellowships to 601 young men and women from 57 different countries, and our club is proud of its contribution of \$190,000 to this program.

Rickey's Red Chimney, Stonestown, was the scene of a most eventful and entertaining meeting of the Daly City Rotary Club last Wednesday.

Mr. John R. Kenny, Jr., representative of Squibb Pharmaceutical Company presented a short talk on anti-biotics, and showed a film "The Earth Shall Give Back Life," which was most interesting.

The following guests were introduced: S. K. Robbins, Robert D. Miller and O. Londo Poletti, from the South San Francisco Club and Charles H. Kinsley and Bill Greig from the San Francisco Club and Mr. Kenny from the Menlo Park Club.

A general discussion was held concerning the Golden Anniversary Project and a proposed Christmas project with more details to follow at this week's meeting.

Our club was honored to receive a letter from the Rotary Club in Buenos Aires, Argentina, which tendered us a cordial welcome and their Rotary support. In addition the letter contained bits of perti-

Letters To The Editor

Reader Says Drain Facilities Inadequate

Dear Editor:
An item in your paper stated that Mr. Dan Andersen, city administrator, said that the city's drainage facilities were carrying the run off adequately.
All I can say is, that when pieces

of lumber 3x8x4 come washing down the street, when the sidewalks are completely covered with mud and water, making it quite impossible for anyone living in the 900 block on Hillside to ever get out of their garage, I don't think the drainage is adequate. Do you? Sincerely,
Mrs. Hugo LeCompte

Sked Important Scout Meets For Monday, Tuesday

Two important meetings for prospective Boy Scouts and their parents will be held Monday and Tuesday evenings in Daly City.

On Monday night at 7:30 o'clock boys who live in the vicinity of the Westlake school will meet with their dads and mothers and local Boy Scout representatives to plan the organization of a new troop there. Boys and parents living in the Colma school neighborhood have been invited to attend a meeting in the multi-use room at Colma school for a Tuesday night meeting, also at 7:30 p.m. District executive Maurice Powers will attend both meetings and will guide the groups in their discussions. In both cases, boys who have already expressed an interest in becoming scouts have been given special invitations to attend, but other boys who live in the vicinity of the two schools may also attend with their parents, providing they are between the ages of 11 and 15.

Daly City has four other Boy Scout troops, including: Troop 63, sponsored by the Veterans of Foreign Wars; Troop 243, sponsored by Our Lady of Perpetual Help; Troop 248, sponsored by the Westlake Property Owners' association; and Troop 249, sponsored by the Daly City Post of the American Legion. In addition, there are five Cub packs carrying out the Cub Scout program for boys 8 to 11 years of age.

Powers emphasized today that next week's meetings must be attended by one or both parents, in order for boys to be admitted to membership. Organization of the two new troops is part of a long-term program of expansion of Boy Scouting in Daly City, being engineered by a special committee of which Robert Hunter, George Paldi, Fred Kruse, and Jack Kennedy are members. Interested residents may obtain additional information from any of these men, or may phone the office at the San Francisco Council office, G.A. 1-5792.

Charge No Drain Set-up For Atlanta

Joseph Schultz, 548 Atlanta street, charged before the council Monday night that Atlanta sidewalk drains were much higher on one side than the other and that no provisions for storm drains had been made in the area.

Engineer Edwin Smith said, "There's no provision for storm drains as yet. We can't tell until we finish plans."

"I advise you to check into this then," Schultz countered. Smith said he couldn't tell about the scope of the storm drain project until it was known how many streets were still to be built in the area.

Dana Chichester, was three years old on Friday, November 12, and she, with her mother's help of course, entertained several little friends at a party. Those who attended were Elaine Chiosso, Dorothy Muller, Christine Dethlefsen, Kent Guyman and Cary Chichester.

HERE AND THERE — Mrs. LeRoy Krueger and Mrs. Ernest Golladay were guests of a former Broadmoor resident, Mrs. Nate Tempkin who now lives in Redwood City, at a luncheon last week. The luncheon was held at the Chukker for the Redwood City Newcomers Club.

Seems as though the news from the Village is very scarce this week. Maybe everyone is worn out from the big bazaar at the Broadmoor Community Presbyterian church, or perhaps everyone is too busy getting ready for the holidays. We women of the church wish to thank all our friends and neighbors in and out of our community who responded so well and helped make our bazaar a wonderful success.

The women of the church have plans completed for the annual bazaar to be held on Saturday, November 21, in Fireside Hall at the church. The doors are open at 9 a.m. and the bazaar will continue throughout the day and evening. Meals will be served throughout the entire day as well as the evening.

Bible school is at 9:30 o'clock on every Sunday with classes for all ages. A nursery is provided for both the morning services.

SAFE OPERATING CONDITION Always make sure that your automobile is in safe operating condition, advises the National Automobile Club. Sudden mechanical failure can mean sudden death on

Village Notes

By Martha Pinney

NIMITZ — Kathy Armstrong entertained many of her little friends and neighbors at a birthday party Saturday, November 13, celebrating her 3rd birthday.

Mr. and Mrs. Albert Lapp from Redding have been visiting with their son and daughter-in-law and family. Mr. and Mrs. John Lapp. They were entertained at a dinner party on November 10. Guests were Miss Ethel Yargel, Mr. and Mrs. Carl Lapp, Mr. and Mrs. James Scott, Mr. and Mrs. Lewis Bauer, Mrs. Eva Schlitz and Mr. Ed Lundgren.

MIDWAY — Mr. and Mrs. Gordon Stewart and daughters, Audrey and Joan, spent the weekend at Longhorn visiting relatives.

SWEETWOOD — Billy Ellis celebrated his eighth birthday on November 12th, by entertaining many of his friends at a theater party.

MacARTHUR — Lorraine and Joe Monks have had as house guests, Joe's mother, Mr. Ruth Monks and his brother Jack, from Chicago.

Steven Monks, who was one year old on November 14th, celebrated the occasion with his family and friends at a dinner party.

BEECHWOOD — Mr. and Mrs. Clarence E. Read of Portsmouth, New Hampshire, arrived last week to make their home in California. At present they are with their son and daughter-in-law, Mr. and Mrs. Carl Read.

Mrs. G. B. Whitehead and two sons, Kirk and Kevin, returned last week from a three-weeks motor trip to Omaha and Lincoln, Nebraska. Miss Ruth Rundstrom, sister of Mrs. Whitehead, was going to Chicago, so Jane and the boys went along for the ride. Quite a ride, a wonderful trip was had by all, but they are glad to be back.

FOOTHILL — Nancy Dethlefsen celebrated her fifth birthday on November 11, by entertaining her little neighbors at a party. Guests were Karen Guyman, Cathy and Debbie Leech, Vickie and Claudia Guo, Phyllis and Elaine Chiosso, Lynn and Ginny Jones, Cathy Mahoney, and sister Christine Dethlefsen.

Dana Chichester, was three years old on Friday, November 12, and she, with her mother's help of course, entertained several little friends at a party. Those who attended were Elaine Chiosso, Dorothy Muller, Christine Dethlefsen, Kent Guyman and Cary Chichester.

HERE AND THERE — Mrs. LeRoy Krueger and Mrs. Ernest Golladay were guests of a former Broadmoor resident, Mrs. Nate Tempkin who now lives in Redwood City, at a luncheon last week. The luncheon was held at the Chukker for the Redwood City Newcomers Club.

Maybe everyone is worn out from the big bazaar at the Broadmoor Community Presbyterian church, or perhaps everyone is too busy getting ready for the holidays. We women of the church wish to thank all our friends and neighbors in and out of our community who responded so well and helped make our bazaar a wonderful success.

The 101 Vista Grande Avenue Christian church celebrates its first year in its present location next Sunday morning at the 10:35 service. Since it is also Thanksgiving Sunday Dr. Howard P. McConnell has taken for his subject, "In all things give thanks." Coffee time with a huge cake built in the likeness of the church building on display will be held directly after the service. A Thanksgiving Eve service will be held for the whole community on Wednesday evening with the Sanctuary Choir assisting. This unique service is at 7:45 o'clock.

The women of the church have plans completed for the annual bazaar to be held on Saturday, November 21, in Fireside Hall at the church. The doors are open at 9 a.m. and the bazaar will continue throughout the day and evening. Meals will be served throughout the entire day as well as the evening.

Bible school is at 9:30 o'clock on every Sunday with classes for all ages. A nursery is provided for both the morning services.

Thank Record For Publicity

Dear Sirs:
On behalf of the Women's association of the Broadmoor Community Presbyterian church, I wish to thank you for your wonderful cooperation in publicizing our bazaar. Through your efforts, our bazaar was a wonderful success.

Thank you,
Mrs. Dorothy Swoverland
Publicity Chairman

PERSHING FACULTY ENTERTAIN PARENTS

The faculty of General Pershing school entertained parents at an American Education Week tea held in the school's kindergarten room on November 10.

The "tea" featured coffee, as well as tea, and a glamorous assortment of cookies and cakes.

Two members of the P.T.A., Mrs. Schmale and Mrs. Keith, poured.

Teachers acted as hostesses and guides. They explained the school program and acquainted parents with the school plant.

Any boy from 8-11 years of age, who is interested in joining the pack should have his parents call Mr. White at PLaza 5-0216.

Schmale and Mrs. Keith, poured.

Teachers acted as hostesses and guides. They explained the school program and acquainted parents with the school plant.

Any boy from 8-11 years of age, who is interested in joining the pack should have his parents call Mr. White at PLaza 5-0216.

Schmale and Mrs. Keith, poured.

Cub Pack 243 Makes Toys For Christmas

Cub Pack 243 had a very successful Halloween party last month at their pack meeting according to Stanley G. White, cubmaster.

The boys played games, had a grand parade and won prizes for the best and funniest costumes.

Currently the pack is working on its Christmas project, making toys for children at San Francisco hospital.

OBITUARIES

Emil Kaufman

Emil Kaufman, 319 Santa Barbara avenue, passed away Friday at Junipero Serra hospital.

A native of Switzerland, he was father of Mrs. Bertha Anderson, Joan Kaufman and the late Emil Kaufman Jr. He leaves two grandchildren and one great-grandchild.

Funeral services were held Monday from W. C. Lasswell & Co. Interment was at Olivet Memorial park.

Elizabeth Nelson

Last rites were held Monday for Elizabeth Nelson, 78, who resided at 378 Woodrow street.

She passed away Friday at Mary's Help hospital.

Only survivor is George Murphy of Daly City, a nephew.

Fred Winter

Funeral services will be held today (Friday) at 12:30 p.m. for Fred Winter, 619 San Diego avenue, who died Wednesday in San Jose.

Last rites will be under auspices of Crocker Masonic Lodge 454, P. & A.M., while arrangements have been made by W. C. Lasswell & Co. Interment will follow at Golden Gate National cemetery.

He leaves a widow, Eugenia, two children, Al Winter and Mrs. Jean Frank, three grandchildren, William Winfield, Pamela and Denise Winter, and a great grandson, William Winfield.

The deceased was a member of Crocker Masonic Lodge No. 454, P. & A.M., of San Francisco, A.A.O.N.M.F. of San Francisco, San Francisco Commandery No. 41 of Knight Templar and American Legion Post 410, Daly City.

He was a native of Germany.

YOUR NEIGHBORS AND MINE

By Betty Brush

Another week of weather that just can't seem to make up its mind has passed but that hasn't stopped the folks in their activities. With the coming of the holidays there is more doing than usual so let's get on with the news.

One of the neighbors had a birthday Monday the 15th. Of course he's not going to give his age but MR. JOSEPH GARGAN of Goethe street is among those who can stay home after many years of work. He was surprised on his special day by visit from his family and special friends who gathered to wish him many happy birthdays. The same from all the rest of the folks, Joe.

Items of Interest

The folks are on the move for the holidays. MR. and MRS. GLENN HARRISON of San Diego avenue are among some of the folks who will be going to Los Angeles for the holidays. They will spend the four days with their daughter Ardene and a good time is wished them by all the stay at homes.

The Eagle's Auxiliary No. 1848 are in the midst of a very worthy project. They, as usual, are looking out for those less fortunate than themselves. Right now they are getting baskets together for some of the folks for Thanksgiving who are through no fault of their own, unable to stock their own tables with all the things that are traditional to have on the big day. This project is known to very few and naturally they don't want

their names known. The rest of us would like to wish them many blessings on their labor of love.

The folks on Abbott street are really having their addresses these days. The AL SIDELLE family who have taken such an active part in all the friendly doings of the street are moving to Redwood City. Fact is by the time this is read they will be gone. The only good part is that they have promised to keep in touch with all their old friends and to come back and visit often. Hope so.

If the folks in the Theta avenue area were wondering just what a nice little white haired lady was doing being escorted into a police car last week here is the answer. MRS. MAY BAKER was invited to luncheon at the home of MRS. MUNDAY and her son, Officer Munday, called for her in the course of events. Really, folks, May is quite beyond the stage where she would be getting into trouble of any kind. NUFF SAID!

More of the folks are moving. What's happening? Anyway MR. and MRS. MELVIN E. SELLERS of Mission street are leaving us for their new home in Los Gatos. Pretty soon this paper will have more readers, or at least as many, down the peninsula as it does here. That's o.k. too, but we hate to see the folks leave.

Hillcrest Circle No. 143 U.A.O.D. had their usual most beautiful installation of officers last week. They will be under the direction and guidance of MAMA LOM-

BARD for another six months term. Her term which has just concluded was a most successful one and all her many friends wish her the best of success in the months to come. Knowing "MAMA" we know it will be so. Congratulations to a grand lady.

Even teachers move. GENERAL PERSHING'S most popular teacher, MRS. JANET EDGERLY has finally found a home in Daly City and is coming to live with the folks whose children she teaches. Welcome to our town to a grand teacher.

That well traveled gentleman, MR. OWEN McNALLY, has just returned home from another jaunt. This time he returns from Battle Mountain, Nevada, where he spent a week visiting his sister.

Servicemen

Had an anxiously awaited letter from Japan this week. It finally arrived to tell me that A 2/c JAMES BRUSH had arrived at his base in the most northern and of course coldest part of Japan. Jim, like so many others, is missing his family for the holidays. They are at the present staying with relatives and of course miss him just as much. One thing to be sure, as each day passes it brings him closer to the day he can come home and be with them again.

This is the last time I can put Staff Sgt. PAUL A. MITCHELL of the U. S. Army in the Servicemen's part of the column. Fact is he isn't a serviceman anymore.

He has finally reached CIVILIAN status again after two years. The big event in Paul's life at the moment is Nov. 27th which will be his wedding day. Congratulations to a very fine young man on his service to his country and all the best in the future is wished him from all who know him.

Here are some of the boys who you can send Christmas cards to. We all have many of our own to send but it just seems to work out that there are always one or two left over so why not send one to CAPT. RICHARD R. HARRISON, V. F. 113—c/o Fleet Post Office, San Francisco. It really doesn't make a bit of difference whether you know the young man or not. He will answer and a whole new scope of interest will open for you. Why not try it?

Another lonely boy is PFC. EUGENE H. BOURDEAU of the U. S. Marines. You can reach him by writing to—Pfc. Eugene H. Bourdeau, 1435409, U. S. M. C. 1 Co., 3rd Bat., 3rd Marine Div., F.M.F. Pacific, c/o Fleet Postmaster, San Francisco. Don't forget folks that if it wasn't for these boys who will be spending so many months away from their loved ones we would have nothing to be thankful for when we sit down to dinner on Thanksgiving Day. How about that card or letter.

BILL GRAVATT has returned home after two weeks spent with the Naval Reserve at Los Alamitos. He was on active status during this time but did get time off enough to see part of Hollywood during his stay down south. Now he is in the throes of house hunting as they have sold their home and have to find someplace to move into.

News and Views

Many of the folks will remember a cute little girl in pigtails who used to live on Vista Grande avenue and San Diego. Well, she is now a very pretty young lady and lives in Santa Rosa. Her name? MISS ANITA VENTURA. Her engagement was announced this week to MR. TROY NAWAMA, re-

cently of the U. S. Navy. While Anita has a few months more to go before she graduates her mind is filled with wedding plans which will be announced later. She is the grand-daughter of MRS. MAY BAKER of Theta avenue who is most proud of her grandchild.

Poor Abbott street. More of the folks are planning on moving. The JACK CAMBRIDGES are leaving all their friends about December 1st for their new home in Rollingwood. While it is too far away, at the present time there are no phones (horrid thought) and not much way of getting anywhere unless on drives. Nevertheless they plan on keeping in touch with all their friends in the Abbott street area as they don't want to miss out on all the fun they have had.

The FRIENDLY NEIGHBORS, that active bunch from Abbott street who seem to have so very much fun together are now planning their annual Children's Christmas party. They not only give the party for the children of the members but include the youngsters from each and every house on the block. After the party at which Santa Claus will make his appearance, there will be coffee and cake served to all the mothers of the young fry. The

mrs. hostesses at this affair will be—MRS. ELEANOR DOYLE and MRS. BILL GRAVATT.

MR. FRANK VENTURA one of the former neighbors who now lives in Sebastopol, was down for the Livestock Show last week. To make the event more exciting he took his mother, MRS. MAY BAKER, who was more fun to watch than the show. She really enjoyed the whole thing and will be one of the folks who will be traveling for the holidays. She will return the visit by spending the holidays with her son and family and get to meet her prospective grandson-in-law.

MRS. MARY CONTI would like to thank all her many friends and neighbors for their kindnesses in remembering her husband DAN CONTI when he was in the hospital and after he returned home.

Happiness reigns in the ZUGAR household these days. Their son, STAFF SGT. JACK ZUGAR of the U. S. Army, has returned home. Jack has spent most of his enlistment at Fort Lawton, Washington. All the folks will be glad to know that Jack has taken his place with the rest of the boys who have served with the armed forces and is now being returned to civilian life. Congratulations, Jack, on a

job well done and best wishes for your happiness in the future.

Well, folks, that does it for this week. There will be lots of the follows home for the holidays and I hope that you let me know about them so I can pass the news on. Don't forget that this paper is sent to all the boys in the service through the compliments of THE RECORD and they really look forward to reading about each other. The phone is still PL. 5-6482 and there is always some one home to take your news. I'll be waiting to hear from you. Until next week then, 'bye now.

LOCAL COUPLE TO CELEBRATE 25TH YEAR OF MARRIAGE

Mr. and Mrs. William O'Connell, 280 Hillside boulevard, will celebrate their twenty-fifth wedding anniversary next Tuesday.

The couple will withhold actual celebration of the silver anniversary, however, until January, when they will board a plane for Washington, D. C., to welcome their first grandchild.

Mica has been mined intermittently in California since 1902.

NUPTIALS at Our Lady of Perpetual Help church recently united Beverly Jean Hamilton of this city and James Anthony O'Connell, U. S. Army. Father O'Reilly performed the wedding rites. Photo by Giusto

Hamilton-O'Connell Wed In Recent Rites

A double ring ceremony united Beverly Jean Hamilton and James Anthony O'Connell at Our Lady of Perpetual Help church on Saturday, October 30.

The Rev. Joseph O'Reilly officiated. The bride is the daughter of Mr. and Mrs. James Hamilton of Daly City.

As she was led to the altar by her father, the bride wore a white lace ballerina length gown with a picture neckling. Her finger tip veil of nylon tulle was held in place by a seed pearl crown.

The main of honor, Miss Marilyn Lamb wore a pink ribbon silk halter dress with a pink crown. A bouquet of pink baby roses and forget-me-nots completed the ensemble.

John Fetta was the best man.

Guests attended the reception at 15 Cherry street in San Francisco.

The new Mrs. O'Connell was graduated from Jefferson Union High school in June of 1954. She worked with the Daly City recreation department and Toyland Nursery school.

O'Connell, whose parents, Mr. and Mrs. James Patrick O'Connell live in Daly City, is currently serving with the Army. He was graduated from Sacred Heart high school in San Francisco and from San Mateo Junior college in 1953.

Special guests at the wedding were Mrs. Grade Dilling of Burlingame, Mr. and Mrs. K. Weyant of Fresno, and Mr. and Mrs. B. Fleming of Alameda.

The young couple will make their home in San Francisco.

OLPH Bazaar Offers Fun For Everyone

Mrs. Louise Lofrano won first prize in the apron contest held at the regular meeting of the OLPH Mother's club last Friday.

After some deliberation, she was awarded the top prize for a frivolous red cocktail apron. Mrs. Nell Whalen and Mrs. Carmen Reyes were runner ups.

Mrs. Catherine Ricci of the top honor in the practical division with a cobbler apron.

All aprons will be offered for sale at the Mother's club bazaar on Sunday, December 5.

Provisions have been made to accommodate children at the bazaar with a "Kiddies Korner." Darts, balloons, a fishpond, and many other games will insure a prize for every child. Mrs. Rose Fair and Mrs. Marie Krystofiak are co-chairmen of the "Kiddies Korner."

Working with the chairmen are Barbara Parodi, Alice Gonzales, Virginia Lacayo, Alice Chehene, Dorothy Ghre, A. Morgan, Genevieve Dinsmore, Mary

Robbins and Gloria Coleman. Mrs. Anne Drury and Mary Casebolt will staff a hot dog and cake stand all during the bazaar. Ice cream will also be available.

The candy booth, complete with old fashioned cotton candy, candied apples, grab boxes, and homemade candy will serve everyone from one to ninety. Candy made by members will be offered for sale. Jeanne Haney and Evelyn Mosman are in charge of the concession, and will be assisted by Louise Lofrano, Claire Leiden-decker, Audrey Sallade, Helen Rodriguez and Pat Mondlock.

"Grace Of Gratitude" Presbyterian Topic

"The Grace of Gratitude" will be the sermon topic at the 10 a.m. Thanksgiving Day service at Grace Presbyterian church, Dr. Stanley Hunter, temporary pastor, announced today.

A special collection to supply the need in Europe and Asia with food, as part of the church world service, will be taken. The choir will be on hand to sing.

This Sunday regular services will be held at 11 a.m.

Adventures In Cal. History Theme Of College City Cubs

"Adventures in California History" was the theme of the meeting of College City Cub pack 340 held at Commodore Sloat school, Darien Way and Junipero Serra boulevard, San Francisco, held recently.

Following the den exhibits of projects made by the 80 Cub Scouts in the 12 dens of Pack 340 and the presentation of colors by the graduates, Cubmaster D. C. Bryant, assisted by Assistant Cubmaster Marshall Goodmansson, conducted the presentation of awards and graduation ceremony in a colorful Indian ceremony using the "Ronald Moller Memorial Indian Ceremonial Equipment" started by a donation from the neighbors of the late Cub Scout Ronald Moller and assembled by the leaders of Cub Pack 340.

A tenderfoot investiture ceremony by members of College City Boy Scout Troop 340 concluded the ceremonies. Den 3, of which Dr. and Mrs. Norman Culiner are leaders, earned the honor den award for the month.

Den Skits

Den skits presented by the appropriately costumed Cub Scouts

under the direction of the Den Leaders included: Den 12—"Balboa"—Dr. and Mrs. Robert L. Roseberry; Den 6—"Medley of California Songs"—Lt. and Mrs. Russell Nance; Den 10—"Raising of the Bear Flag"—Mr. and Mrs. Irving Gratch; Den 4—"History of the California Republic"—Mr. and Mrs. Charles Epstein; Den 3—"Clementine"—Dr. and Mrs. Norman Culiner; Den 7—"Discovery of Gold at Sutter's Fort"—Dr. and Mrs. Herbert Greenhood; Dens 1 and 2—"Miner's Holiday"—Mr. and Mrs. Lester Krotcher. Refreshments served by the Den Dads concluded the enjoyable evening.

For their community service project for November, the Cub Scouts of Pack 340 brought to the Pack Meeting the used but complete toys for children of all ages which they collected to replenish the playroom toys at the Youth Guidance Center. Den 5 delivered them to the Center.

The next meeting of Pack 340, which meets the first Friday evening of each month at Commodore Sloat school, Darien Way and Junipero Serra boulevard, San Francisco, will be a Christmas party on Friday evening, December 3.

Cellar Dwellers In Battle Today As Indians Meet Scots

The "Battle of the Cellar" will take place today (Friday) at 2:45 p.m. at Jefferson High school gridiron as the winless Daly City team tangles with an equally unsuccessful Carlmont eleven.

A 37-13 debacle at the hands of Lincoln before a sparse hometown crowd Friday brought the Indians loss skinn to seven straight. Carlmont shares the cellar spot with Jefferson, sporting an 0-6 league mark and the loser of today's game will be firmly entrenched in the PAL basement.

"We'll maintain ball control and beat them today. I'm almost sure of it," said Jeff coach Joe McGrath.

Spectators will see some new jersey numbers in the starting positions today. McGrath staged a contest between the junior and senior members of the team Tuesday, declaring that the winning team would start today's contest. The juniors took the measure of their older gridiron brethren, 12-7. All starters today, with the exception of co-captain Harry Sampson, left tackle, will be juniors.

The Indians sustained no injuries last Friday in suffering the loss to a powerful Lincoln eleven. Chief problem, as in previous games, was pass defense.

Dennis Dudley provided the thorn for Jeff as he tossed to three touchdown passes and ran to another.

One of the Dudley tosses covered 99 yards, indicating the ineffectiveness of the Jeff secondary.

Quarter back Bob Grubb and end Mike Cloonan scored the Indians pair of lone touchdowns and George Seger added the one extra point.

Jeff scored once in the second canto and again in the closing seconds of the game against the Lion reserves.

McGrath admits that if Carlmont has anything at all, it's a passing attack, but he maintains that his club can win by keeping control of the ball.

He pointed out that in the Lincoln game his backs racked up 220 yards on the ground, as com-

pared with the 39 yards registered by the supposedly strong Lincoln ground attack.

Starting line-up for today's game is as follows: Ron Cryer, RE; Al Gerrans, RT; Roger Robinson, RG; Don Wiesner, C; Stan Jacobsen, LG; Harry Sampson, LT; Al Arneson, LE; Bob Grubb, QB; Ron O'Rourke, RH; Jim Honeywell, LH; and Tex Prentice, FB.

Admission to today's game is \$1 for adults, 25 cents for students.

RECTOR HURT; OUT OF NCS RACE TOMORROW

Runner Strong First In Group 4 Friday

Jefferson High's Jim Rector posted a surprising 10:28 at the 1.94 mile cross country course at Stanford Friday to win first place in the Group 4 division of the North Coast Section.

But Rector won't be racing as a top contender in the NCS finals tomorrow (Saturday) at Stanford. The marathon runner, ironically, was hurt in an accident Monday that occurred as Rector was running home from school to pick up a camera.

In falling, he suffered a minor concussion and Coach George Simon is pessimistic about Rector's chances of running in the big meet tomorrow.

In winning the Group 4 section (schools with from 800-1000 students) Rector posted the second top time of the day on the 1.94 course.

His 10:28 trailed the 10:27 top time turned in by Ron Larrieu of Palo Alto in winning the Group 3 competition.

Larrieu beat Rector in two previous outings.

Rector's winning effort gave Jefferson second place, behind Carlmont, in Group 4. Carlmont, finishing with 23 points, has been boomed as a solid contender for copping the NCS tomorrow.

Jefferson wound up with 56 points, ahead of Santa Rosa, 57, and Salinas, 100.

Other Jefferson harriers finished in the following order and times: Bob Pool, 11th, 11:53; Jim Taylor, 13th, 12:11; George Grosso, 14th, 12:18; John Jackson, 17th, 13:00.

RECREATION FOOTBALL

Playoffs Tomorrow Pit Eagles-Rebels, Buccaneers-Giants

An under-estimated Broadmoor Cats team, coached by Elman Rose, turned on what proved to be the most sterling display of defense all season as they held the powerful Colma Eagles to a 7-0 victory Saturday in Recreation Football league "A" division play at Marchbanks.

The opening kickoff found the Eagles moving typically well, as Steve Oppermann, behind blocking of Rich Mollinson and John Mullin, advanced to the 45-yard line. Two successive runs from the single wing brought the Eagles to the Cats 30-yard line.

Oppermann, on the next play, lobbed one down towards Ross Holmgren in the end zone that looked a sure TD, when Ron Rose emerged out of nowhere to bat down the ball.

Scoreless Half

This defensive maneuver was indicative of the type of play by both teams throughout the remainder of the first half.

For the Cats it was Mike Deal, Gary Cowden and Rose stubbornly subduing the Rebels offensive machine while Mullin, Pete Garcia, Mike Wells and Mollinson were stalwarts for the Eagle defense.

The second half was marked by the same alert defensive play but the Eagles managed to reach paydirt after switching to the single wing.

After two nicely executed runs by Oppermann, behind Holmgren, Mullin and Garcia blocking, the Rebels took to the air lanes.

Going on a favorite optional rollout passplay, Oppermann threw 45 yards to Pete Garcia who jumped high and was immediately caught on the Cats one-yard line.

Hit Holmgren Twice

At this point Oppermann hit Holmgren twice in the end zone for the six-pointer and the conversion, giving the Eagles a 7-0 estate.

advantage.

The fourth quarter produced the same kind of defensive action, with neither team able to penetrate into the opposition territory, with the exception of one sustained drive in the final two minutes when the Bucs moved to the Eagles five-yard line on dazzling catches by Deal and Cowden. A Buc touchdown that might have tied it up was nullified when Deal gathered in an aerial in the end zone but was declared to be outside the zone.

The Colma Rebels, whom the Eagles meet Saturday for the "A" Division championship, were hard-pressed to put down a surprising Colma Redskins eleven, 27-2.

After trailing 2-0, the Rebels Don Burley intercepted one of Andy Seale's long passes and jaunted 30 yards for a touchdown to turn the tide of the game.

Stole Another

When the "Skins" again gained possession they suffered the same fate as Burley again stole one of their passes and went all the way, giving the Rebels a 14-2 margin.

The Rebs tallied twice more when Don Rex, late in the game, passed to John Lynn and Burley, winding up the game at 27-2 and establishing the Rebels as favorites for tomorrow's championship encounter.

OLPH Giants and Broadmoor Bucs earned the right to play off tomorrow for the "B" division crown as they handily dispensed with their foes Saturday.

OLPH, led by Whalen, Gehrie, Watts and Lyeett, whipped the Broadmoor Indians soundly, 34-0, as they ran and passed at will.

The Indians, with Garret, MacDonald, Homes, Mike Dobin and John Hess, showed lots of determination but couldn't muster enough to reach the coveted goal post real estate.

HONOR "BIG 3" LOCAL ATHLETES HERE SATURDAY

People of Daly City and Colma will pay a deserved tribute to their three nationally famous athletes Saturday night at Lovchen Gardens.

Don Mossi and Ed Cereghino, baseball greats, and Bob Silvestri, '52 state amateur golf champ, will be the honored trio.

Two main dining rooms will be used for the many who will attend the affair.

Two famous chefs have been retained to prepare the dinner, according to Dan Casentini, chairman. Dancing will be to the music of Joe Grado and band and entertainment will be presented during the dinner.

Casentini, originator of the affair, extended sincere thanks to the city council and the Italian-American Citizens club for their "loyal support."

Joe Verducci, local mayor and head football coach at San Francisco State college, will be toastmaster for the occasion.

Eagles Drop Back To Second Spot In Bowling Circuit

In the nip and tuck battle for leadership in the Daly City-Colma Bowling league at Brentwood, Apple Tree Rest resumed their hold on first place Tuesday as they blanked Lucca Meats three games.

Daly City Eagles, tied with Apple Tree last week for the top spot, managed to win a pair, but that wasn't enough to keep pace.

Apple Tree now has 21 wins, nine losses, while Eagles have 20 wins, 10 losses.

Central Club was ousted from third by 101 Club as the latter copped a pair from Paul's Flowers. Central suffered two losses to Daly City-Colma Lions. The 101 gang now have an 18 1/2-11 1/2 mark, while Central Club has 18-10.

In addition to Apple Tree, three other teams turned in three-game sweeps. Marketeers topped Thur Meat for three; Walter's turned the trick on Carlos Pizzeria for a triple kill; and Vagabonds skunked Ralph's Cleaners a trio.

In taking three, Vagabonds rolled a 913 game and 2564 series with a 90 pin handicap.

Ray Warrick, rolling games of 214 and 207 and a top 609 series, and Fred Teupel, hitting a 255 game, paced the Vagabonds.

Harold Riley of 101 Club had a 241 high game, while teammate C. Neiderbrach hit a 211 single.

Nate Pearlman of Vince & Fred's ranked among the top echelon for high individual game with a 222. Vince & Fred's hit a 926 game in taking a pair from William Lagomarsino & Co. Lagomarsino's Al Intaschi had a 203 game.

Eagles were paced by Bill Watson's 560 series in doubling over John's Brentwood Rest.

J. Scholes, with a 538 series, was instrumental in Walter's triple killing over the pizza gang.

Macy's Hillsdale OPENS FRIDAY

12:30 P. M., November 19th

Opening Ceremonies 12 Noon

the beautiful new Macy's
department store you've been
waiting for opens
on schedule!

It's only minutes from your home! We're on El Camino and Hillsdale Boulevard. So at 12 noon join your friends at the ribbon-cutting for this new \$6,000,000 marble

mansion; your complete department store. (Plenty of parking space!) At 12:30 the doors open and you'll see a treasure trove of the spanking new, high quality, value-priced things you want, all conveniently arranged. It will be a great day for you and your family. It's a great day for Macy's California—proud to be here on the Peninsula, bringing you this modern Macy's Hillsdale store (the first we've built from the ground up in California), finished in time to help you with your Christmas shopping!

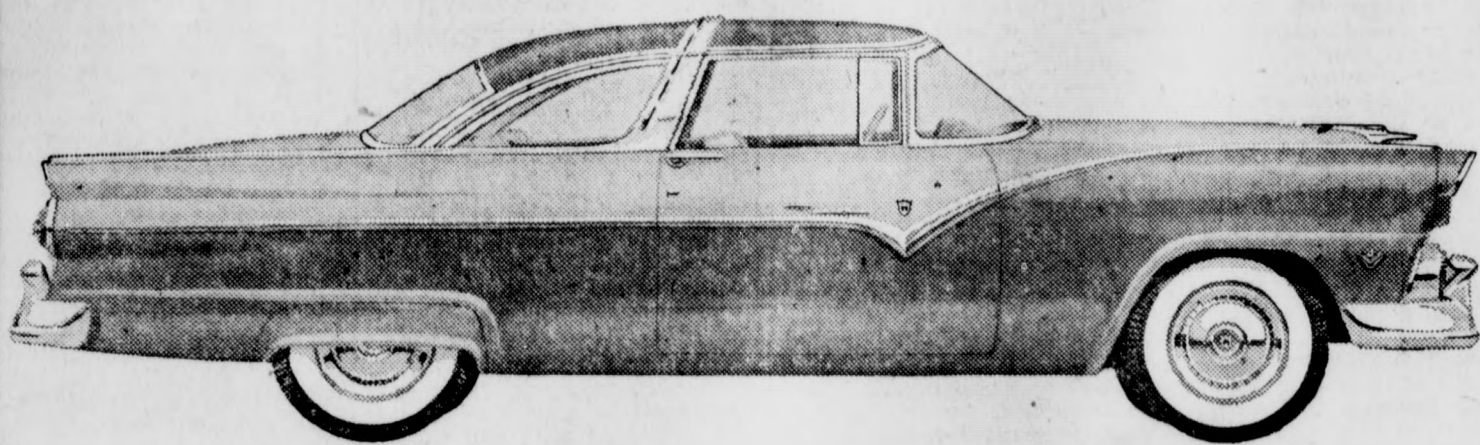

We're Open Friday Until 9:00 p.m.

regular store hours: Monday and Friday 9:30 a. m. to 9:00 p. m.
other week days 9:30 a. m. to 5:30 p. m.

*Today's the day
to choose your '55 FORD!*

See new styling... today!

[INSPIRED BY THE THUNDERBIRD]

Try new power... today!

[TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES]

Select from 4 new series... today!

[16 NEW BODY STYLES]

The Ford Thunderbird, the personal car that's been causing such a sensation, served as styling inspiration for the 1955 Ford Cars. Take one look at Ford's longer, lower, roomier dimensions—huge wrap-around windshield—new color-keyed interiors . . . and you'll quickly see some of the reasons why Ford is finer for 1955. Take one Test Drive and you'll want to drive it home.

For '55, there are three high-torque Ford Engines. There's the 162-h.p. Y-block V-8 with higher (7.6 to 1) compression ratio. Then there's the still mightier 182-h.p. Y-block Special V-8 which is teamed with new Speed-Trigger Fordomatic Drive and offered in Fairlane and Station Wagon models. And there's a new 120-h.p. I-block Six—the industry's most modern. All have traditional Ford economy.

Today you're bound to find your dream car among the 4 new Ford series for '55. What's more, to make your dream car come even "truer" Ford has new, smoother Angle-Poised Ride which makes all riding and handling easier. Then, too, your Ford can be as automatic as you want it with all the fine-car power options.

You're cordially invited to Test Drive the '55 FORD today!
